Elevate yourself to be a “Professional”

| Skill Gap

Only **46.2%** of the youth were found to be **highly employable**
(Source: India Skills Report – Initiative by Wheebox, 2022)

1

Skill development gets a push in Budget 2023.

.2

Skill gaps rapidly Widening
Research report by company Wiley serves as a call to action for companies and individuals to continue to invest in **upskilling and reskilling** in order to stay competitive in the global economy.
(Source: Economic Times, February 2023)

.3

As layoffs continue, companies may tweak the process of appraisal.
Employees must focus heavily on reskilling, upskilling, and soft-skill development to keep up with the changing nature of work.
(Source: Business Standard, Feb 2023)
